

## Academic Catalog (2025-2026)

**(1) Theology Diploma (TDIP): Years 1-2**

**(2) Theology Degree (BTH): Years 1-4**

The Theological Diploma program offers certificates for men and women who desire graduate-level courses from JRTC without committing to a full degree program. These certificates are designed for people who wish to further their theological education to effectively apply Scriptural truths to their life, work, and ministry.

Upon completion, a student with a certificate in Theological Studies will:

1. Exhibit a deep love for the triune God, his word, his truth, and his church; and a Christ-like humility in relation with others.
2. Demonstrate basic knowledge of Scripture, Evangelical-Reformed theology, biblical theology, and redemptive history.
3. Demonstrate the ability to apply God's Word to a changing world in the student's ministry context.
